Re: *Changes to Yard Waste Collection in 2021*

**Yard Waste Season runs April 5th- November 27<sup>h</sup>**

**Cart Options for 2021 – choice of two different sizes:**

**Option 1:** Rental of a 65 gallon yard waste cart that would be routed and emptied 1 time per week on Monday.

- You would be allowed 2 extra bags/bundles each week. Waste Connections stickers would NO longer be needed. You would NOT need to call in for service. The yard waste will be routed for collection each Monday.

**Option 2:** Rental of a 96 gallon yard waste cart that would be routed and emptied 1 time per week on Monday. NO extra bags or bundles allowed on the day of collection

-Cost for either option is \$125.00 per season (April- November)

*\*Please have carts/yard waste to the curb by 6:00 am on Monday's.*

**We are no longer offering bag/bundle only collection. We hope you find that the cart option is more economical and convenient and you no longer have to mess with stickers.**

We are here to answer any questions you may have, please feel free to visit our website at [www.wcdesmoines.com](http://www.wcdesmoines.com) or contact our customer service at **515-265-7374** with any questions you may have or to order a yard waste cart.
