Re: *Changes to Yard Waste Collection in 2020*

Yard Waste Season runs April 1- November 30th

This year we are implementing some changes we wanted our Ankeny residential customers to be aware of if you plan to participate with yard waste collection this year. Below are the two options for your community:

Option 1: Weekly

Rent a 65 gallon yard waste cart that would be routed and emptied 1 time per week on Friday's.

You would be allowed 1 extra bag/bundle each week. Waste Connections stickers would NO longer be needed. You would NOT need to call in for service. The yard waste will be routed for collection each Friday.

Cost: \$120.00 for the season (April-Nov)

Option 2: On Call

On call service with Kraft yard waste bags/ or bundles. There will be a minimum trip charge of \$6.00 which covers 4 bags/bundles. Each bag/ or bundle after that will be charged \$1.50 to your residential account. You NO longer need to use the Waste Connections yard waste stickers.

You must call in by 12:00 noon the day before collection with the # to be collected. All yard waste will be collected on Fridays.

**Both options you must have your cart or bags/ or bundles to the curb by 6:00 am on Friday.*
