Re: *Changes to Yard Waste Collection in 2021*

Yard Waste Season runs April 7- November 26^h

We are no longer offering bag/bundle only collection. We hope you find that the cart option is more economical, more convenient and you no longer have to mess with stickers.

You may now rent a 96 gallon yard waste cart that would be routed and emptied 1 time per week on Thursday's. NO extra bags or bundles allowed on the day of collection.

-Cost is \$125.00 per season (April- November)

**Please have your yard waste cart to the curb by 6:00 am on Thursday's.*

We are here to answer any questions you may have, please feel free to visit our website at www.wcdesmoines.com or contact our customer service at **515-265-7374** with any questions you may have or to order a yard waste cart.
